Dear Landlord:

Enersource Hydro Mississauga wishes to inform you of the option of becoming a **CUT-IN-LANDLORD**. The advantage of being a **CUT-IN-LANDLORD** is that whenever your tenant calls to close their hydro account you automatically begin billing as of the tenant's termination date without having to call us. Taking this simple step ensures that the hydro will not be disconnected between tenants and the change of occupancy fee is waived every time!

A **CUT-IN-LANDLORD** account is closed as soon as the tenant sets up his or her account. For your convenience we are including a Residential Application form that you can give your tenants as part of their lease agreement. The tenant simply fills out the form and sends it back to us. It's important that we receive this information prior to the occupancy date as we are unable to backdate the opening or closing of accounts. This important step will avoid possible disruption of service. It's that simple! This saves both the tenants and landlords time and money!

If you are interested in becoming a **CUT-IN-LANDLORD** please fill out the attached **LANDLORD Agreement** form and send it back to Customer Service 905-566-2737.
