LEARN HOW TO REDUCE YOUR POWER FACTOR AT PPG BREAKFAST SEMINAR

Do you own or run a business in Mississauga? Are you looking for low cost ways to reduce your energy demand and save dollars? If so, we've got just the event for you!

At Enersource, we strongly believe in doing our part to conserve energy. That's why we want to make sure you know about Partners in Project Green's *Power Factor & Energy Management Breakfast Seminar*.

Partners in Project Green (PPG) is a coalition of like-minded organizations working together to help local businesses 'green' their bottom line through the creation of an internationally-recognized Eco-Business Zone in the industrial areas surrounding the airport.

Don't miss out on this *FREE* opportunity to learn more about reducing your power factor!

When: May 19, 2010, 8:30 a.m. to 10:30 a.m.

Where: Fire and Emergency Training Institute, Toronto Pearson International Airport
2025 Courtney Park Drive East,
Mississauga, ON

Who: Plant & Facility Managers

Local businesses who consume more than 200 kW & a power factor lower than 85 per cent

What: Learn how to manage and improve your power factor while learning best practices from your industry peers!
